

Final Phase: Rejuvenate and Rejoice

Fall 2019 Capital Campaign Update

Have you seen the work completed this past summer?
We transformed four classrooms into exciting learning spaces!

ONLY \$150,000 to Go!

We need everyone's support to reach our goal of \$1.4-million

Next spring we'll launch the remaining work:

- New kindergarten rooms in expansion
- New dedicated 'lunch space' in expansion
- New east entrance
- New dedicated 'mud' areas
- New brick facade
- Added layer of insulation for energy conservation and cost savings
- Reconfiguration of classrooms to create a better learning environment for students
- Repainted walls
- Replacement of original windows
- Installation of more LED lighting and light tubes in south end of the school
- Creation of a lounge for more multi-grade project-based learning opportunities
- New project rooms
- Replacement of south classroom doors and cabinets
- Renovated washrooms to improve safety and accessibility

We Need Your Support Today
